THE CONCEPT

The design is classic. The color is yours.

The Adornato collection offers two door and drawer front designs, inspired by the provençal style and made for classic cabinetry.

Fronts can be produced in any paint finish, custom colors included, expanding the combinations of design and style.

N° 01

Adornare

PROVENÇAL · SINGLE MOLDING

A single raised molding framing a flat center panel. The lightest take on provençal: classic up close, quiet from afar.

PROVENÇAL · DOUBLE MOLDING

Two stepped moldings add depth and shadow around the center panel. More presence and more ornament, for rooms that call for the full classic look.

MOODS

Two designs. *Four moods.*

The same molding changes character with color and the materials around it: wood, stone, linen and metal.

PAINT

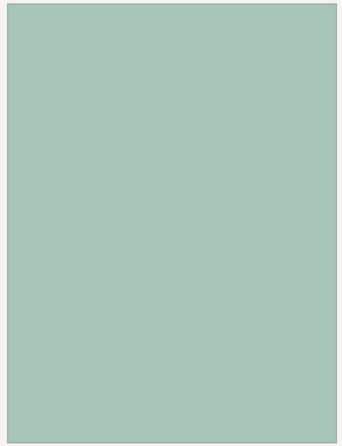

Any color. *Including yours.*

Both designs are produced in lacquer and take any catalog paint or a color developed for your project. The same design changes character with color.
