QUALITY

Built to last. Ready for everyday life.

CARB Phase 2
TFL and MDF compliant with CARB Phase 2, one of the strictest emission standards in the US.

FSC®
Forest certification held by our manufacturing partner. Ask your designer which materials it covers.

Splash resistant
Fused laminate holds up to everyday splashes.

Scratch resistant
TFL surfaces that keep up with kids, pets and busy routines.

5-year extended warranty*
Covers installation and TFL and MDF panels.

*Ask your designer to see the written warranty.
